Please join us at our Open House on Tuesday, September 1st to see if rowing is your sport. Speak with the Shaker Crew team about their rowing experience, see our boats, meet the coaches and have a snack! We'll provide an up close look at one of the most unique club sports at Shaker Jr. and Sr. High School.

Formed in 1989, Shaker Crew has grown to include over 50 Shaker students – all of whom started with no prior experience in the sport. Shaker Crew offers competitive and recreational rowing for novice and experienced student athletes at Shaker Junior and Senior High Schools. The goal of the program is to teach technical knowledge, challenge athletes to excel and instill lifetime values regarding the importance of teamwork.

Visit www.shakercrew.org to learn more about our club, varsity letters, college scholarship opportunities and the team-building fun you can have in the sport of rowing
