Volunteer Expectations for Parents

1. BUSING TO THE RIVER

All parents **ARE REQUIRED** to chaperone the bus during the season if their child(ren) ride it. Please sign up before leaving the parent meeting. Sign-ups will be posted on the calendar on the team's webpage (www.shakercrew.org). If you were unable to attend the parent meeting, please contact our Bus Coordinator, Joan Lemme, (jlemme10@yahoo.com) and sign-up for an available day.

Busing to practice at the river

(Remember that it is the function of the chaperone to ensure that these rules are followed.)

Rowers: *Please be at the corner of the music department of Shaker High by 3:35pm (time may change because bus departure may vary due to school schedule).*

- The bus is a courtesy provided to the club by the school.
- Please remember to thank the bus driver. His/her impression of our club is important. The school district is doing us a favor by supplying the bus.
- Eating or drinking on the bus is **not** allowed. Rowers should eat a snack before boarding the bus.
- Please be on time. The bus departs at 3:45 (subject to change) sharp and the driver will not stop for anyone running for the bus. Be courteous to one another on the bus.

Chaperones: please walk the length of the bus prior to departing from the river to be sure that no belongings have been left on the bus.

2. FOOD TENT ON REGATTA DAYS

All parents are required to assist at the food tent during a regatta. The food tent coordinator will send out an email requesting volunteers prior to each regatta. Shifts usually consist of 4 hours blocks of time.

- Morning shift – includes setting up and working food tent
- Afternoon shift – includes working food tent and breaking down

(You may buy-out your food tent time with a \$150 payment to the club.)

3. SUPPORT FUNDRAISING AND COMMUNITY ACTIVITIES

*****Parents are requested to participate in supporting the team through various fundraising and other community activities. *****

There are various Shaker Crew committees and coordinators in order to ensure not only the smooth running of the team, but also to support the team's growth and keep seasonal dues as affordable as possible. That can only happen if every rower is represented by a parent on one or more committees or community activities.

Regatta Info/Advice for Parents and Rowers

- Line ups and times for races may be sent out by Wednesday or Thursday prior to each regatta.
- **ALWAYS** check your email the night before the race, line-ups and race times can change on short notice.
- **Coaches usually require rowers to be at a regatta for the entirety of a regatta, both to ensure rowers are there in plenty of time for warm up BUT also to support their teammates in their races.**
- Clothing/Uniform: A unisuit is needed for all rowers (see clothing order form)
- Further information regarding regatta preparation and necessities, rowing related injuries, etc. will be sent out separately via email and will be available on the website.
- Meet at the food tent and get to know fellow parents – all are welcome!
- Don't be afraid to ask for advice and guidance from coaches, board members, and current rowing families!

Parent participation is crucial to a smooth season.

Go Shaker!

SHAKER CREW - EXPECTATIONS FOR ATHLETES

The goals of the Shaker Rowing Association are to earn the respect of the Shaker High School, Section II, and US Rowing communities through demonstration of technical knowledge, sportsmanship, citizenship and the enthusiastic commitment to the challenge to excel. To accomplish these goals, we must first demonstrate respect for ourselves, our families, our teammates and our competitors.

Athlete Responsibilities

Athletes should recognize that membership in this association is a privilege, not a right.

Respect

- Athletes are to be respectful, in word and action, of themselves, their coaches, their teammates, officials, volunteers and their parents at all times.
- Athletes are to demonstrate respect for teammates and coaches by attending all scheduled practices and regattas: arriving on time, rested, with a positive attitude and appropriate gear.
- Athletes who need to be excused from practice or a regatta must let their coach know in a timely manner. Unexcused absences will greatly hinder your ability to be competitive.
- Athletes are to be respectful of other athletes of varying abilities. We are one team.
- Athletes are to be respectful of coaches who make decisions on line-ups and regatta plans based on the best interests of the entire program.
- Athletes should direct questions or concerns to the coaching staff.
- Athletes are to be respectful of their bodies. **Use of alcohol, tobacco, marijuana, and drugs, at any time, impede athletic performance, destroy the trust between teammates and families, are dangerous, and illegal; preceding a practice or competition it is one of the most disrespectful acts an athlete can commit. Distribution or use of the aforementioned is grievous and will be considered a basis for dismissal from the team.**

Integrity

- Athletes are expected to behave (verbally and physically) in a manner that exemplifies the highest ideals of good citizenship and is a credit to their family, team and school.
- Athletes are expected to participate fully in all activities and demonstrate commitment to the training program and racing plans developed by the coaches.

Trust and integrity are commodities that are hard-earned and easily lost. Success is knowing that you and your teammates have done the best you can to achieve the goal—win, lose, or draw.

Consequences

All actions carry consequences. Violations of these expectations will result in disciplinary action which may include suspension or dismissal from the team.

We have read the Expectations for Athletes and agree to abide by these expectations as a condition of participation in Shaker Crew. We agree to accept the consequences for actions that violate these expectations.
